D. FACTS

8. On November 2, 2016, Jane Doe was admitted to the psychiatric ward, "Behavioral Health Unit" a.k.a. "6-T" at the San Antonio Medical Center (SAMMC). Jane Doe was transferred to 6-T from Laurel Ridge Psychiatric Facility in San Antonio, where she had been hospitalized for an attempted suicide, following a sexual assault by a fellow soldier at the Military Base where she had been previously assigned. Matthew David Black (hereinafter "Defendant Black") was a contract employee with Professional Performance Development Group, Inc., and Donald L. Mooney Enterprises, LLC, d/b/a Nurses Etc Staffing (collectively Defendants), and was working as a certified nursing assistant (CNA) in the Behavioral Unit 6-T. In his capacity as a CNA, Defendant Black was assigned to care for Jane Doe who was considered a high-risk patient, due to her suicide attempt. On the morning of November 22, 2016, Jane Doe reported to her social

worker that Defendant Black had been taking her into the storage room on 6-T, pinning her against the wall, and having sex with her on multiple occasions.

9. Later in the morning of November 22, 2016, Jane Doe was interviewed by personnel from CID. Jane Doe told CID that one day, not long after she was admitted to the ward, she told Defendant Black she needed a hug. He gave her a hug, which turned into a kiss, and he grabbed her breasts. Jane Doe stated that after that, almost every day Defendant Black would take her into the storage room pin her against the wall and force her to engage in sexual acts. Jane Doe told CID that Defendant Black performed oral sex on her and made her perform oral sex on him. In addition, Jane Doe stated that Defendant Black had inserted his penis into her vagina and had taken a picture of that sex act. Jane Doe told CID that Defendant Black took sexually explicit photos of her on his cell phone, with her breasts exposed, and told her to “smile” for the camera. Jane Doe stated that all the sexual encounters incurred in the storage room, except for one in which Defendant Black came into her bathroom while she was changing clothes and fondled her breasts. Jane Doe provided CID with a photo from her cell phone showing Defendant Black and Jane Doe kissing.

10. Jane Doe stated that Defendant Black told her that he loved her, and that from the first time he saw her he couldn’t wait to be with her. She said Defendant Black would make her say that she loved him too. Jane Doe stated that Defendant Black warned her that if she ever told anyone about their sexual encounters, he would say it was consensual. He also said that if she told anyone, he would lose his job and his certifications. Jane Doe stated this made her feel terrible. Jane Doe stated that she came forward on November 22, 2016, because she was about to be released from the hospital and she knew that she would kill herself if they let her go. She stated she was very depressed and felt dirty and like everything was her fault. On November 22, 2016, Defendant Black was interviewed by CID. Defendant Black initially denied that there had been

any type of sexual contact between him and Jane Doe. Defendant Black stated further that while he did take Jane Doe into the storage room it was only at her request and to retrieve items from her locker. The agents asked Defendant Black whether he would consent to a search of the cell phone and he declined.

11. CID then questioned Defendant Black about the photograph from Jane Doe's phone showing Defendant Black and Jane Doe kissing. When confronted with the photograph, Defendant Black admitted he had kissed Jane Doe but had failed to mention it. CID then told Defendant Black that CID was going to obtain a Magistrate Warrant for Defendant Black's phone, in order to examine it for any sexually explicit photos of Jane Doe and Defendant Black. Defendant Black admitted that there were some sexually explicit photos of the two of them, and admitted he had made a mistake. He told the agents he would also take Jane Doe into the storage room, pull her pants down and rub his penis against her vagina. He also stated that Jane Doe had performed oral sex on him, he denied ever penetrating Jane Doe's vagina, and stated he did not ejaculate. Defendant Black stated the attacks occurred everyday he was at work since he met Jane Doe. The agents asked Defendant Black if he would consent to a polygraph and he agreed.

12. During the pre-instrumentation phase with the polygraph, Defendant Black told polygrapher that Defendant Black had sex with Jane Doe three times beginning in the middle of November and the last a couple of days prior to Jane Doe's Report to CID. Defendant Black stated that each encounter lasted 3-4 minutes and that he never ejaculated when they had sex. Defendant Black further admitted that one time he had Jane Doe perform oral sex on him. Defendant Black insisted as Jane Doe told him she was reluctant and did not like oral sex because of the thing that happened to her in her past. Defendant Black admitted that he put his hand on the back of her head and pushed her head down onto his penis. Defendant Black further stated that he recorded the oral

sex on his phone. Defendant Black also admitted that he told Jane Doe that if she told anyone about the relationship he would get into trouble and lose his job.

13. At all times relevant, Defendant Black was a contract employee with Professional Performance Development Group, Inc., and Donald L. Mooney Enterprises, LLC, d/b/a Nurses Etc Staffing. Defendants, Professional Performance Development Group, Inc., and Donald L. Mooney Enterprises, LLC, d/b/a Nurses Etc Staffing, had a duty to monitor, train, vet and conduct background checks on Defendant Black before he was allowed to work in a psychiatric ward. Working in a psychiatric ward requires specialized training dealing with mentally ill patients, especially vulnerable females. Defendants, Professional Performance Development Group, Inc., and Donald L. Mooney Enterprises, LLC, d/b/a Nurses Etc Staffing failed to perform any sort of diligent background check on Defendant Black, which would have demonstrated a past history of questionable conduct with female patients.

14. Plaintiff contends that Defendant Black committed sexual battery by continuously raping her over a period of 21 days. Plaintiff contends that Defendants Professional Performance Development Group, Inc., and Donald L. Mooney Enterprises, LLC, d/b/a Nurses Etc Staffing were negligent in the hiring, training, and supervision of Defendant Black.
